Manufacturer Rebate Program Terms & Conditions

- Good for purchases between July 2, 2020 and December 31, 2021.
- \$1,000 trade-up offer applies to skyBeacon, tailBeacon, or Garmin GDL-82.
- \$200 trade-up offer applies to any Mode C transponder.
- \$300 trade-up offer applies to Garmin GTX 327.
- All units will be bench tested upon return and prior to credit. The UAT products and GTX 327 must be returned in good cosmetic condition and in perfect working order. Mode C transponders do not need to be in working condition to qualify for the offer.
- One UAT and/or one transponder credit per Stratus ES/ESG purchase.
- Appareo is not responsible for any lost or damaged packages before they arrive at our warehouse.
- Appareo is not responsible for the shipping costs of the trade-in unit(s).
- Appareo is not responsible for the installation or shop time of the install or removal.
- Trade-in devices must be received by Appareo within 30 days of the Stratus ES/ESG purchase.
